

# ReSpot.

Everything you need for tourism,  
immigration, and socialization in  
different countries in one service.

# About ReSpot.

ReSpot is a versatile online platform designed for professionals in the tourism, immigration, and adaptation fields, to help them find clients worldwide.

Our main goal is to connect clients with immigration specialists and a supportive community that understands the challenges of immigration and adaptation to a new location and can provide assistance in addressing them.

The screenshot displays the ReSpot website interface. At the top, the ReSpot logo is on the left, and navigation icons (bell, globe, menu, profile) are on the right. The main heading is "Services", with a breadcrumb trail "Main Page > Search Results".

A "Filter" sidebar on the left includes:

- Sort by: Recommended (dropdown)
- Category:  Visa support,  Residence Permit,  Citizenship,  Local Assistance,  Legal Services,  Accounting
- Destination Country: Select (dropdown)
- Service type: Select (dropdown)
- Price: A slider bar with input fields for Minimum Price (\$350) and Maximum Price (\$1400)
- Country of Citizenship: Russia (dropdown)
- Languages: English, Русский (dropdown)

The main content area shows four service cards:

- USA Travel Visa**: Offered by Elena M., a Visa specialist with a 4.8 rating (23 reviews). Description: "Embark on your American journey with ease by obtaining a USA Travel Visa. Explore the diverse landscapes, vibrant cities, and countless opportunities that await you in the United States." # Project Founders

CEO

Maria Shirokova

maria@respotus.com

Maria is an experienced professional in the tourism industry with over 9 years of experience. She has successfully created and developed several businesses, including a travel agency and a visa-emigration agency. Maria's own experience with emigration inspired her to create ReSpot as a safe space for finding like-minded individuals and qualified specialists in the field of emigration and integration.

CTO

Alexander Yuryev

alex@respotus.com

Alexander is an experienced traveler with over 30 countries on his list. In 2017, he chose Northern California, where the epicenter of innovation and the creation of major companies is located. The experience of emigration to the United States has given him many lessons and challenges, especially in finding reliable specialists. His team of IT specialists develops and supports the technical part of the project.
